

This Month in Pearroc

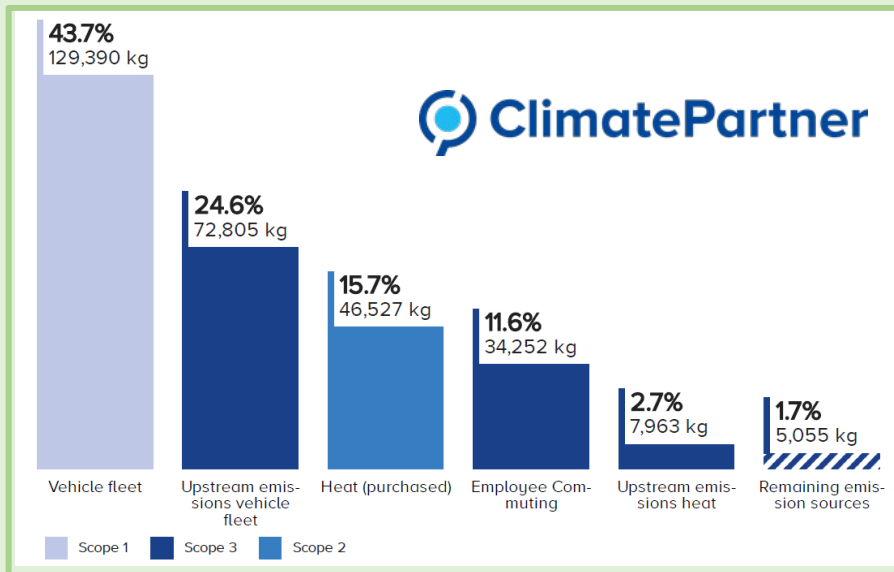

ESG NEWSLETTER

A warm welcome to the new Pearroc Monthly Newsletter, you're go to for all things regarding ESG over the past Month. Over the coming months, will give you more of an insight into the work Pearroc does in the world of Environmental, Social and Governance.

The following emissions were calculated for Pearroc Ltd for the period Jan 2022 - Dec 2022

Our 2023 Climate Report will be shown in the April 2024 edition

In February, we took our hard working Warehouse Team out for a very much deserved evening out in the City! 🍷

The team worked around the clock over a very busy Christmas period to ensure that everyone received their goods before the break.

Warehouse Operative James

We had the pleasure of visiting Metsä Tissue's paper mill in Mänttä, Finland.

It was very interesting to see what Metsä are doing in terms of sustainability in their efforts to combat deforestation 🌲

Pearroc are like a second family to me, they've made me feel very welcomed since joining in 2016

The annual Pearroc charity golf day raised an impressive £10,000 for The Royal Marsden NHS Foundation Trust.

This is all thanks to the generous suppliers who donated auction prizes and to the wonderful guests who attended and contributed to this incredible cause.

The support will go a long way in helping those affected by cancer.

TOTM

Meet TOTM

TOTM is a multi award winning period care brand on a mission to inspire better, sustainable ways to manage periods. The TOTM range includes 100% organic cotton tampons, pads, liners as well as Zero-waste menstrual cups, all designed to offer ultimate comfort and protection whilst caring for the planet.

Bringing period positivity to workplaces everywhere

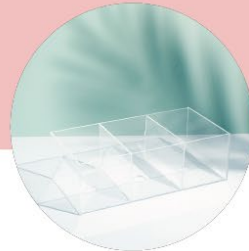

TOTM led the way in 2018 by starting a movement to promote period comfort, well-being, and dignity in workplaces. Through research, TOTM found that 70% of its community had experienced the stressful situation of getting caught short by their period while at work. Based on this, TOTM developed a sustainable solution that has been adopted in thousands of sites across the UK and Europe.

100% organic cotton tampons and pads (regular to super absorbency).

Workplace boxes that include TSS warnings and ingredients.

Cost-effective display units and vending machine options.

For every workplace box sold, TOTM donates 10p to Endometriosis UK.
