

## **ENVIRONMENTAL POLICY**

**PMC Polythene recognises that its business can have an effect on the environment and that it has a responsibility to demonstrate concern for the environment as an integral part of its activities and decisions.**

**PMC Polythene conducts its operations to comply with the requirements of environmental legislation and approved codes of practice within its industry.**

**PMC Polythene is aware that it should continuously seek to improve environmental performance regardless of legislative changes in its business activities.**

**PMC Polythene supports recycling where possible through the purchase of recycled material and by return of unwanted material to suppliers for reuse.**

**PMC Polythene expects its suppliers and sub-contractors to adopt sound environmental practices within their operations.**

**PMC Polythene is aware that it has a responsibility to educate its employees on safety and environmental issues.**

**PMC Polythene operates within guidelines to ensure minimal noise disturbance to its neighbours.**
